

Falcon Class

Curriculum Letter

Autumn 1 2026

Hello and welcome to the first Curriculum Letter from Falcons Class. Our topic this term is 'London's Burning' where your child will be learning all about the Great Fire of London through the eyes of people who lived it. Below is a brief outline of the exciting learning that will be taking place this half-term and some useful ideas on how you can help your child succeed. Your involvement in your child's education makes a huge difference to their success. If you have any queries or concerns, please do not hesitate to contact me. I look forward to meeting you and teaching your children throughout the year.

Mr Stamp & Miss Butler-Waite 😊

English

Our learning will be focussed around writing diary entries as if we were there when the Great Fire of London took place!

We will be exploring what makes a powerful description and using our imaginations to place ourselves in London in 1666

You could help your child at home by:

Talking about which words are best to describe things!
Play 'describe the object' where you take turns describing something in the room and then guessing what it is.
Encouraging them to keep a diary about what they have done over the week or to write an imaginary diary e.g., the diary of a superhero or spy or simply recapping what they have done over a fun weekend!

Finding out information about the Great Fire of London online or from a book and creating a fact file.

Maths

Some of the things that we will be exploring include:

- Place-value
- Number bonds to 10, 20 and 100 and counting in multiples of 2, 5 and 10.

You could help your child at home by:

Practice adding when playing board games, dice games or out shopping.

Talking to them about the place-value of numbers. For example, 'how many 10s in 15? How many 1s?' especially when using money.

Practice counting games forwards and backwards in different steps.

Logging onto your child's 'Numbots' account with them and practicing different maths skills.
(Logins will go home with your child)

D.T.

In DT we will be investigating bread and making our own, just like they did in the bakery at Pudding Lane at the time of the Great Fire of London! You could try making your own buns at home and write some instructions for how to make them.

P.E.

We have PE on ***Mondays and Tuesdays***. Please ensure your child has their PE kit in school on those days.

Art

We will be making collages of the Great Fire of London in the style of Frank Stella. You could look at his art at home and practice collaging.

History

We will be learning all about the Great Fire of London and the lives of the people that lived through it. Below are some useful websites you could show your child to help them understand this historical event.

<https://www.fireoflondon.org.uk>

Parent helpers

I would like to extend a warm friendly welcome to any parents who could spare an hour or two to listen to children read in Falcon Class each week. Reading is a vital skill for children which enables them to learn and progress and your involvement makes a significant difference.
