## Thorney Island CP School

### Newsletter No 5

January 2026

Dear Parents, Governors and Friends,

I hope this newsletter finds you well and looking forward to the start of Spring! The school continues to prosper due to the hard work of all those involved and I would just like to thank you for your continued support - it is much appreciated.

Eagle Class: Edmund Bulmer and Azaria Mtekateka

#### Advice from the Childrens Commissioner on children's digital lives!

This a real area of concern for me as the digital world is moving faster than ever and at a rate that we in school find difficult to keep up with. This article was brought to my attention, and it appears to be a fair read.

[What I wish my parents or carers knew: A guide for parents on managing children's digital lives.](#)

## Circus Day - Osprey and Falcon Classes

The children had a fantastic morning learning lots of new skills!

## Eagle Class - Electric Vehicles

The children in Eagle Class worked extremely hard to design and create their own electric vehicles, using what they had learnt in Science, Design and Technology as well as Art and Design. Their maths measuring skills were also put to the test. The results were very impressive.

## Attendance

At present the government are tracking schools' attendance weekly. Since the pandemic the government are extremely concerned that children are not attending school as they used to. Our school attendance remains slightly above the national average but is below pre-pandemic levels. We no longer reward individual attendance as we felt this to be unfair on those children who missed school due to illnesses etc. However, we do try to acknowledge the importance of school attendance as this correlates strongly with academic attainment. Last term our data showed:

Hawk Class	97.54%	Merlin Class	97.01%
Owl Class	96.8%	Osprey Class	96.52%
Falcon Class	96.42%	Eagle Class	93.87%
Kestrel Class	92.59%		

Please help us to encourage the children to attend school every day by organising appointments outside of school hours where possible. **At present 46 children have not missed a day at school since we started back in September.**

### Notice of Motion on smartphone-free primary schools

West Sussex County Council will urge the Government to make all primary schools smartphone-free, following concerns raised by councillors about the impact of social media and mobile phone use on children's emotional health, wellbeing and learning.

The council's Cabinet Members for Children, Young People and Learning, and for Public Health and Wellbeing, will write to Education Secretary Bridget Phillipson MP after a notice of motion was passed during a full council meeting on Friday 12 December. For more information on the Notice of Motion, please click [here](#) to read the full press release on the West Sussex County Council website.

### Falcon Class - Explorers Hook Day

The children had a fantastic day being polar explorers and discovering lots of interesting facts about the Arctic and Antarctic.

### Wizard Day - Merlin Class

## Football Tournament

Bosham v Westbourne	4 - 0
Westbourne v Thorney	0 - 3
Thorney v Bosham	1 - 1
Westbourne v Bosham	0 - 2
Thorney v Westbourne	5 - 0
Bosham v Thorney	2 - 0

The team played extremely well showing great sportsmanship. We have certainly improved our ability to score and even though we had about 80% possession in the last game we did not manage to beat Bosham. The final goal was an unlucky deflection but overall, it was an excellent evening.

## Gilbert Whites House - Falcon Class

The children had a fantastic time experiencing what it would be like to be an antartic explorer.

## Warner Brothers Studio - Merlin Class

Another extremely successful visit which will hopefully stimulate the children to produce some outstanding written work back in school.

Yours sincerely

Dean Clegg  
Headteacher

## DIARY DATES

09 February	NO AFTER SCHOOL CLUBS THIS WEEK
11 February	Parents Evening
12 February	Parents Evening
